

# CSWC Operational Period Summary 1800 March 7 to 0600 March 8 2014

**Cal OES**  
GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

# **SITUATION SUMMARY**

- SOC / Inland REOC remains activated in support of 2014 Drought

## **Near Term Outlook:**

Dry and mild weather will prevail over the state through Saturday. A storm system will move through Northern California Sunday and Monday. This will bring moderate rain and high elevation snow to the northern half of the state. Dry conditions will prevail for the remainder of next week.

## **Longer Term Outlook:**

Below normal precipitation and above normal temperatures expected the week of March 10, 2014.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### **NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:**

#### **Eureka Weather:**

High pressure will bring mainly dry weather through Saturday morning. A front will push in from the Northwest and stall over Northwest California Saturday night with moderate to heavy rain through Sunday.

#### **San Francisco Weather:**

Mild and dry weather is forecast for Saturday. By Sunday a warm front will move into the North Bay with a chance of rain over Sonoma County. The front will spread rain over the entire North Bay Sunday night and into the greater San Francisco Bay Area Monday morning. Showers will end by Monday afternoon with mild and dry weather Monday night through Friday.

### **CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY**

#### **Sacramento Weather:**

Dry and mild conditions continue today. A stream of Pacific moisture will bring precipitation to the Sacramento Valley Sunday and Monday, especially for areas north of I-80. Breezy winds are possible Tuesday. Dry and mild conditions return for the remainder of the week.

#### **Hanford Weather:**

Dry and warm conditions expected through the weekend as a weak high pressure ridge builds into Central California. By Monday a passing system will bring gusty winds to the Westside Valley and Kern County mountains and desert as well as a chance of precipitation in areas from Fresno County northward.

## **WEATHER SYNOPSIS BY REGION: (Con't)**

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

Gusty offshore winds will continue over Ventura and Los Angeles Counties today and will warm the weekend temperatures to above normal. A weak low pressure system will pass to the north early next week for more clouds and cooler temperatures on Monday and Tuesday. High pressure will return by mid-week with gusty offshore winds expected to help warm the last half of the week.

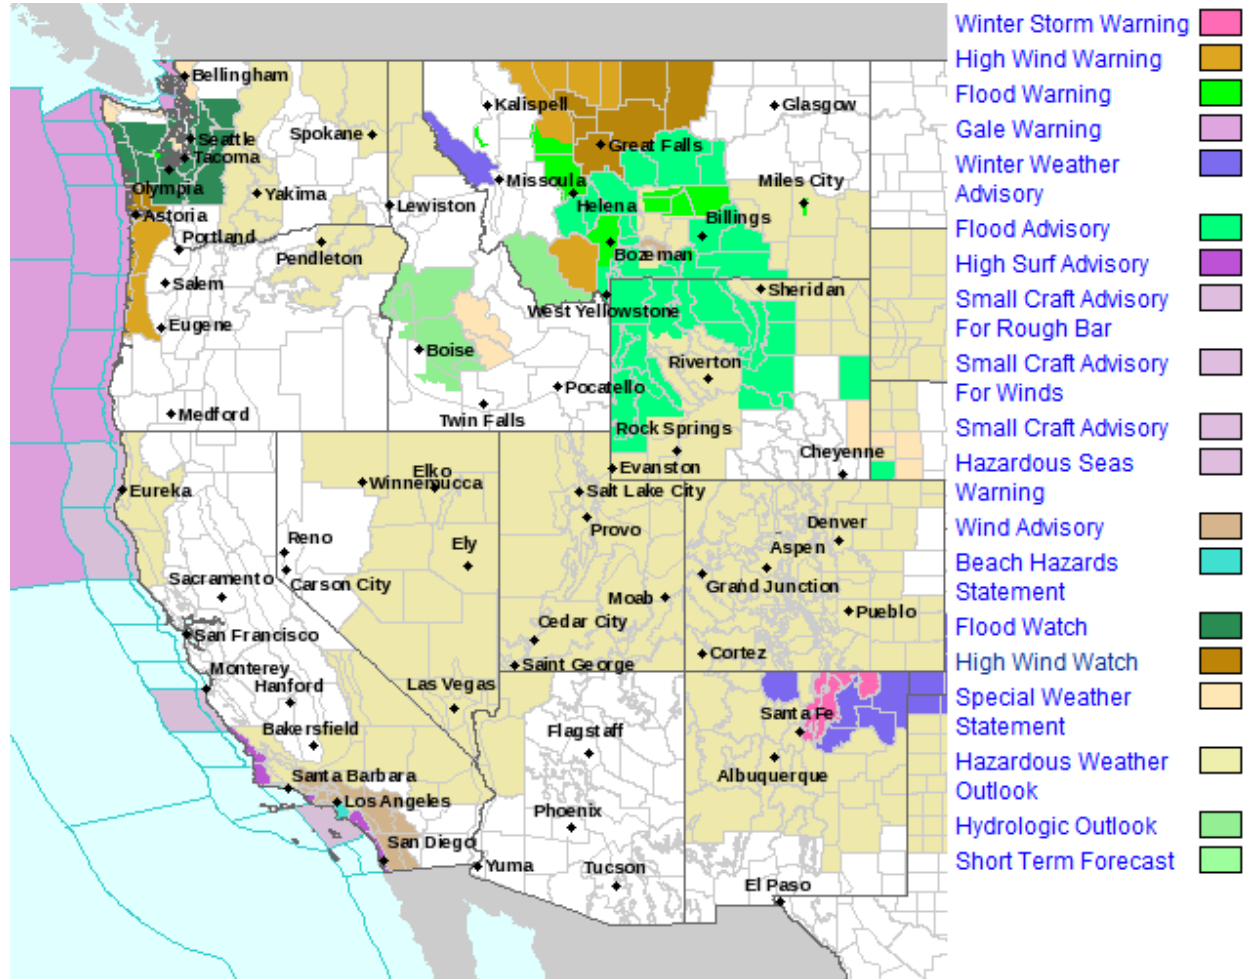

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

High pressure aloft and offshore flow will bring fair warm weather this weekend. Locally gusty winds from the Northeast will occur below passes and canyons especially late tonight and early Saturday. A trough of low pressure will bring cooler weather Monday and Tuesday with areas of low clouds and fog west of the mountains. Then another high pressure ridge will bring warmer weather the second half of next week.

#### **Southeast California Weather:**

Gusty north winds will persist in the Colorado River Valley today. Mostly dry weather will continue over the Southeast California deserts for the next seven days. However, a weak dry cold front will move through the area today developing breezy conditions. Another weak cold front will move through the region on Tuesday for partly cloudy skies with afternoon breezes.

# **CAL OES ACTIVATIONS**

## **Cal EOC Incident – 2014 Drought**

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

# **SIGNIFICANT EVENTS / ACTIVITY**

## **Cal EOC Incident – 2014 Drought**

### **Situational Summary: (No Change)**

- Strong winter storms hit California beginning Wednesday 2/26/14 through Sunday 3/2/14 bringing heavy rain and snow across the state. Both Northern and Southern California received significant rain, and the Sierra Nevada's gained substantial snowpack. Northern California continues to experience showers throughout the week. Even with this significant precipitation, the state continues to be in a severe drought. Reservoir levels remain low despite these recent storms. The drought could result in severe impacts to municipal water supplies, wells, agriculture (plants and livestock) and firefighting capabilities for several months. The State Operations Center (SOC) continues to be activated to monitor the situation statewide, and support regional and local operational areas.
- The Drought Task Force leaders traveled to Merced for another of its local meetings on Tuesday, 3/4/14. The Taskforce continues to meet weekly to take actions that conserve water and coordinate state response to the drought.
- Sixteen counties and four Native American tribes have proclaimed a local state of emergency as a result of the drought. The California Public Utilities Commission regulates all for-profit water utilities in the state and has ordered private water utilities to implement 20% voluntary water use reductions.
- The recent snowpack survey conducted on 2/27/14, recorded California snowpack at 24% of normal. A more recent update using automated devices after the recent storm (March 6) shows snowpack at 33% of normal.
- DWR has announced that water essential for health and safety will be delivered through the state water project in spite of the zero allocation policy. Deliveries will be boosted if storms produce enough rain and snow to increase reservoir storage and the snow pack.

## Cal EOC Incident – 2014 Drought (Cont.)

### **Situational Summary: (Cont.)**

- On March 4<sup>th</sup> and 5<sup>th</sup> the Groundwater Resources Association of California held a conference at McClellan Park in Sacramento to discuss groundwater issues and water management and strategies addressing challenges of Sustainability and Drought in California. It was organized in cooperation with *The U.S. Society for Irrigation and Drainage Professionals* (USCID)
- Cal OES continues to gather drought-related costs from state agencies and local governments.

## Cal EOC Incident – 2014 Drought (Cont.)

### **Current Conditions:**

- Despite two large storms over the past three weeks, heavy rain and snow would have to fall throughout California very frequently from now until May to reach average annual rain and snowfall levels.
- Now more than two-thirds of the way through the rainy season, many areas in the northern part of the state are at least 15 inches short of average annual precipitation. So it would take more than a half an inch of rain from Redding to Fresno every other day until May to get back to average precipitation in the watersheds that supply most of California's drinking and irrigation water. Even with such precipitation, California would remain in drought conditions, due to low water supplies in reservoirs from the two previous dry years.

## Current Drought Updates:

- 2014 Drought Response Report – Attached (No Change)

### **Declarations/Resolutions/Proclamations: (No Change)**

#### **State:**

01/17/14 – January 17, 2014, Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for these drought conditions.

GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

# CAL OES MISSIONS

## Drought Related Missions

- **2014-Inland-2185** Tuolumne County does not have a water master or any alternative resources to assist in determining the health of their ground water system. The County is requesting state agency expertise to assist with this determination.

## Ongoing Cal OES Missions

- **2014-LAW-2462** Sacramento County Sheriff's Department is requesting cadaver K-9 teams (HRD) to assist in a possible homicide investigation. Cal OES LDO is coordinating resources for a search Friday (03/07/14) or Saturday (03/08/14).
- **2014-SREOC-2453** On 3/5/2014, San Bernardino County Fire OES is requesting communications support for Baker to Vegas Challenge Cup Relay on March 20, 2014. Cal OES T-Comm representative is coordinating the required resources.
- **2014-LAW-2450** Santa Barbara County Sheriff's Department is requesting ten Search and Rescue personnel that are EMS certified to assist with a special event. Resource will be needed from 1100 hours till Midnight on April 8, 2014. San Luis Obispo County Sheriff's Department will be responding with requested resources.

## Ongoing Cal OES Missions (Cont.)

- **2014-LAW-2401** 2/28/14, 1510 hours, Santa Cruz Sheriff's Department requested the assistance of the Santa Clara County Sheriff's Department historic human remains detection (HRD) K-9 Teams. Santa Clara County SO agreed to support the mission. LDO notified the Cal OES K-9 Coordinator of the resource request. The search is scheduled for 03/12/14.
- **2014-LAW-2380** The San Bernardino County Sheriff's Department as the Regional Mutual Aid Coordinator is requesting the 9th Civil Support Team of the California National Guard for support during the running of the Auto Club Speedway's NASCAR Races to be held from Friday, March 21, 2014 through Sunday, March 23, 2014. The CNG has accepted the mission and will deploy the requested resources.
- **2014-LAW-2307** California Department of Fish and Wildlife (DFW) has requested California Air National Guard to assist in the movement of equipment and fuel between Farallon National Wildlife Refuge and the mainland. Approximately 3-4 sorties are expected with an HH-60G helicopter any one day between 2/24-28/2014 or before 3/15/2014. After receiving the official letter of request from USFWS on behalf of the California DFW, Cal OES LDO has changed the target date of the mission to 2/27/14, the county to Marin as Stinson Beach was Identified as the primary staging area and the resource to an HH-60.

## Ongoing Cal OES Missions (Cont.)

- **2014-LAW-2275** Butte County Sheriff's Department requesting mission be reopened and requesting 6 cadaver dog search teams and ground pounders. Mission was originally opened for a SAR resource request to support the search for a missing 81 year old male with dementia who walked away from his residence in Oroville on 02/22/14. Nevada County Sheriff's Department is responding with ground searchers and possibly two K-9's.
- **2014-SOC-2111** Mission is to test the Cascadia Subduction Zone (CSZ) air bridge concept by air transporting 7 passengers from OES and 1 CANG logistics planner on 13 May 2014 from Mather to the State Staging Area (SA) in Redding, to one POD in Del Norte and one POD in Humboldt, to the Redding State SA, and return to Mather. Passengers will discuss actions at the Redding SA and at each OA POD while they are at each location. The air bridge is a critical component to CSZ response and recovery. It is imperative this concept is tested to ensure response teams can be successfully transported into the effected region and the affected Operational Areas' are able to receive aircraft at designated PODs.

# **UPCOMING EVENTS, TRAINING, EXERCISES**

## **Diablo Canyon Power Plant, Rehearsal / Full Scale Exercise**

Diablo Canyon Power Plant in San Luis Obispo will be hosting two full scale Hostile Action Based exercises this Spring. A dress rehearsal exercise will be held on April 16, 2014 and a FEMA evaluated exercise will held on May 21, 2014. This is part of the required biennial demonstration of our ability to protect the public from a radiological incident at the nuclear power plant.

## **2014 Golden Guardian**

Planning is currently underway for the Governor's 2014 exercise series. The series will test the *California Cascadia Subduction Zone Earthquake and Tsunami Response Plan* developed by FEMA Region IX and Cal OES

- Logistics Rehearsal of Concept Drill - April 2, 2014
- REOC Communications Functional Exercise - March 27, 2014

## **The Tsunami Warning Communications Test**

Live code, activating EAS will be on the North Coast in Del Norte, Humboldt, Mendocino Counties on Wednesday 3/26/2014 (between 11:00 and Noon PDT).

- Del Norte County will be asking residents of the community to participate in a full evacuation exercise on March 26 between 1100 – 1300 hours PDT.

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
